

Seasonings

in the Pentecost Season, Summer 2020
Happenings at Grace Church

“Feelin’ (*not so*) Mellow Yellow.’ ”

The Governor has granted us yellow status with the Corona-virus for the time being. And the Bishop has approved our proposals for re-opening Grace Church - with precautions beginning on Pentecost - May 31st!

But: *No Holy Communion, no singing, masks to be worn by all...*

It seems trite, but it’s true: “Better safe than sorry!”

And joyous prayers and praise can still be offered to God.

Evening Prayer will be offered Saturday evenings at 5:00 in the Parish Hall.

Morning Prayer on Sundays at 8:00 & 10:00.

Services are limited to 25 attendees, so we encourage any who can to attend the 8:00 service on Sunday (as that is our smallest congregation).

“Virtual Grace” weekly worship videos will continue - even when we move to “Green.” Join us through the Grace Episcopal Church Facebook or this website’s link. Print versions of the service are available as well. What will be interesting is how Fr. Ed will do these when he is in New Mexico for his annual chaplaincy at Philmont, the National Scout Ranch. We’re all in a learning and growing and re-imagining process through the creative Spirit of God.

We are grateful for all those who have been able to maintain their contributions to the ministry of Grace Church. And if you are able, please offer your sacrifices of thanksgivings in any way you can.
